

30 July 2013

Appendix 4C Commentary - Quarter ending 30 June 2013

Key Activities for the Quarter

1. During the period the Directors remained very focussed on preserving the Company's working capital while continuing to work with MAP Capital Advisors ("MAP Capital"), a Melbourne based independent boutique investment and advisory firm, on the Company's future commercial opportunities and directions (refer ASX Announcements 1 March & 26 March 2013). The outcomes from this work have been a little slower than originally expected. The market will be informed as soon as the Company is in a position to do so during the coming weeks.
2. Mr Donald Stephens, a Non-Executive Director and experienced company secretary accepted the appointment as Company Secretary following the resignation of Mr Pierre Van Der Merwe (ASX Announcement 17 April 2013). The Company places on record its thanks to Pierre for his competent service.
3. The Company's cash at bank at 30 June 2013 was \$151K. The Company continued to operate on an absolute minimum cost basis to preserve working capital. The Company is meeting all expenses as they fall due and there are no known unbudgeted expense items. The Directors and Managing Director continued to forgo their fees during this period.

The Company signed a funding agreement by way of a draw down loan facility for \$250k with Talisker Pty Ltd, a company wholly owned by Papyrus Australia Ltd Managing Director and major shareholder Ramy Azer and his wife Phoebe Azer. The loan is unsecured and will be repayable from future revenues or from the proceeds of any future equity raisings and subject to not materially prejudicing the ability of the Company to repay its creditors (ASX Announcement 11 October 2012). To date \$200k has been drawn down.

4. The Company's fully owned subsidiary The Australian Advanced Manufacturing Centre Pty Ltd did not exercise a renewal of the lease of its site in Thebarton, S.A. which expired in April 2013.
